Bottles 4 Bots

Burlington Community Robotics

Bottle & Can Drive
July 6, 2024

Who is BCR?

Burlington Community Robotics (BCR) is a non-profit organization created to build upon 17 years of high school robotics excellence.

BCR's goal is to provide hands-on learning experiences to students in Burlington through FIRST Robotics Competition and enhance science and technology education in our community.

Burlington Community Robotics

Donate your empties to support STEM education

How to participate:

1 Collect your empty alcohol bottles & cans

2 On **July 6th, 2024** place empties outside your front door & attach **THIS** flyer

3 If you're participating we'd appreciate if you could let us know. Visit us at **supportbcr.ca** so we can be sure not to miss you

4 Alternatively, you can drop off your empties @ 4401 Corporate Drive (Unit #6 - Burlington Auto Works) between the hours of 10am - 2pm
